Dear Mr Mayor,  
esteemed colleague,

with great pleasure I have heard from your outstanding election result.

Let me warmly congratulate you on your election as Mayor of Zagreb.

As the first green Mayor of a capital city in Austria, I share your vision of changing a city into a greener and smarter place for its citizens and to stand up for solidarity in our society.

I hope that you will be able to implement many of your ideas for a more sustainable and inclusive development of your city and I do sincerely wish you every success for the challenging tasks that lie ahead of you.

I would be very pleased to either meet you in Zagreb or welcome you here in Innsbruck in the very near future.

Yours sincerely

Georg Willi
