Honorable Colleague!

I heard with deep shock, that Mr. Milan Bandić suddenly passed away on February 28, 2021 due to a heart attack. On behalf of the citizens and the Municipality of Pécs, I would like to express our condolences on the loss of the Mayor of Zagreb. I believe, he did a great service to his city with his 21 years of mayoralty in the last 6 consecutive terms.

He was committed to build a long-term relationship between our cities. Let me assure you, that Pécs is committed to continue the common work in the future as well. We are ready and open to cooperate in further areas.

In these hard days I wish you strength and success to your new tasks. Pécs is standing next to Zagreb, we are with you in our thoughts.

Once again, I am sending my sincerest condolences. I wish good health to you, your family and to all the citizens of Zagreb.

Yours sincerely,

Attila Péterffy

Poštovana kolegice,

iskreno me šokirala vijest da je g. Milan Bandić iznenada preminuo 28. veljače 2021. od srčanog udara. U ime građana i općine Pečuh želio bih izraziti sućut zbog gubitka gradonačelnika Zagreba. Vjerujem da je kroz 21 godinu koliko je bio gradonačelnik i 6 uzastopnih mandata učinio puno za svoj grad.

Bio je predan izgradnji dugoročnog odnosa između naših gradova. Uvjeravam Vas da će Pečuh nastaviti naš zajednički rad i u budućnosti. Spremni smo i otvoreni za buduću suradnju na daljnjim područjima.

U ovim teškim danima želim Vam snagu i uspjeh u novim zadacima. Pečuh stoji uz Zagreb, s Vama smo u mislima.

Još jednom Vam upućujem najiskreniju sućut. Dobro zdravlje želim Vama, Vašoj obitelji i svim Zagrepčanima.

S poštovanjem,

Attila Petterffy,
gradonačelnik
