

3.B. Područja primjene posebnih mjera uređenja i zaštite - izmjene i dopune 2014.

320-4-1

The map shows a detailed topographic representation of the Podsumsko Podsuho area. The Mokrača river flows from the north towards the south, with several tributaries. The surrounding area is characterized by rolling hills and valleys, with contour lines indicating elevation. Numerous settlements are marked, including Jakov Polje, Kralj, Krasman, and others. The map also shows various roads and infrastructure. The area is bounded by the Mokrača river to the north and the Dugeva river to the south. The map is labeled with numerous place names and elevation points.
