Welcome all!

Potential project partners, this space is exclusively dedicated to you. It was designed not only to help you search for partners and exchange project ideas but also to allow the development of a true MED community. Do not forget to invite your IPA neighbours (Albania, Bosnia and Herzegovina and Montenegro)!

Get started! The MED community is awaiting you!

Some useful information about the forum

1. **The forum is opened to everybody.** Anyone can post an announcement or reply to a topic, you do not have to register in order to participate in a conversation.
2. **However, in order to benefit from all the advantages the MED forum offers** – such as creating a user profil with a photo, receiving email notifications upon reply to a topic, being informed of new topics related to a thematic, etc. – , it is necessary to register, this is why we advise you to opt for this option.
3. Please, post your announcement in the appropriate forum. Each programme's thematic community has its own specific forum.
